Bookeye® 4 V2 Office is a modern, self service model which also serves as an integrated office book scanner / book copier. It features a large 22" HD external color touchscreen, an intuitive user interface, user authentication for secure data processing, user profiles for workflow and journaling for job completion checks. The integrated fingerprint sensor allows reliable identification of users and the correct assignment of workflow and consistent logging of system processes. Wireless operation and storage is possible with the Scan2Pad app for Android/iOS (iPhone, iPad).

Bookeye® 4

V2 Office

- ✓ Color book scanner for formats up to A2+

Size H x W x D & Weight	780 x 670 x 670 mm (30.7 x 26.4 x 26.4 inches) 40.5 kg (90 lbs.)
Quality (min.)	ISO 19264-1 level B, FADGI **
Power Consumption	< 0.5 W (Sleep) / 2.5 W (Standby) / 75 W (Ready to scan) / 130 W (Scanning)

Worldwide Quality, Safety & Environment Certifications

Image Access scanners are environmentally friendly, comply to the highest security standards and do not interfere with other devices. We have also made sure that no harmful radiation in the form of electromagnetic emission and UV or infrared light exists. Because these kinds of scanners are heavy production machines with inherent risks to the operator, no one should operate a scanner from a vendor who cannot provide at least a safety report according to IEC/EN 62368.

Image Access scanners conform to the many national and international standards. Our scanners have been tested and certified by independent laboratories and we can also provide test reports of each standard on paper upon request.
